**Get ready for Alberta's province-wide celebration of local food and drink!**

Alberta on the Plate is back to celebrate the incredible abundance that is grown and produced across our beautiful province. In celebration of Alberta Local Food Week, the dine around festival is centered around ten days of fixed-price menus highlighting local producers, growers, distillers and brewers. The annual festivities will take place across Alberta from August 6 to 15, 2021.

Food service providers that showcase local products, producers and artisans are invited to register to participate by offering a fixed-price, local menu for the festival period. These menus will highlight Alberta proteins, produce, crops and artisan goods while celebrating the beauty and bounty of our unique culinary landscape. Kid-friendly restaurants are also encouraged to offer a small plates version of their menu (or a special kids menu) that also features local ingredients so that families can enjoy Alberta on the Plate together.

## **New for 2021:**

- Special menu options for breweries and quick service providers (like food trucks).
- Chef & Producer Meetups throughout the year to introduce you to even more amazing farms and producers interested in working with restaurants (to be held virtually until COVID-19 restrictions ease).
- New additions to the Alberta Ingredient Database that can help you source fresh, local ingredients from all across the province in one central place.

## **Festival Menus for 2021**

Festival Menus are designed by a participating restaurant and are available to customers throughout the festival period (August 6 to 15, 2021). For the consumer, they are a great way to try out new restaurants or revisit old favourites. For restaurants, they are an opportunity to showcase how creative, sustainable, and delicious their food can be utilizing ingredients from their Alberta neighbours.

## **Menu Planning**

All registered participants will receive a menu planning form to help them plan their festival menu(s). These forms must be submitted back to the festival at minimum one week prior to the start in order for us to properly promote your offering.

### **Festival Menus must include:**

- At least 3 local/Alberta producers/farms/products
- At least 1 local craft beer or local craft cocktail recommended pairing (non-alcoholic option may be included provided it is an Alberta product)

Festival goers typically make their decisions on menu offerings, so the more tempting the menu, the greater the opportunity for bookings.

Kids menus are not subject to the same pricing as the Festival Menus; however, the price will need to be included on the Menu Planning Form. Beverage pairings are not required for Kids menus, but a fun local soda or creation is sure to please any child!

**Deadline to submit Menu Planning Form: Friday, July 30, 2021**
